DEC 13 1983 - 1 10 PM

INTERSTATE COMMERCE COMMISSION
SECURITY AGREEMENT

THIS SECURITY AGREEMENT, dated December 9, 1983, among North American Car Corporation, a Delaware corporation ("NACC"), General Electric Credit Corporation, a New York corporation ("GECC"), General Electric Rail Services Corporation, a Delaware corporation ("GERSCO"), and Quality Service Railcar Repair Corporation, a Delaware corporation ("QSR").

W I T N E S S E T H:

WHEREAS, pursuant to the Purchase and Loan Agreement, dated September 7, 1983, between GECC and NACC (as amended through the date hereof, the "P&L Agreement"), GECC has agreed to lend to NACC and its wholly-owned subsidiary, North American Car (Canada) Limited, a Canadian corporation ("NAC-Can"), from time to time certain amounts, upon the terms and conditions set forth in Paragraph 3A of the P&L Agreement; and

WHEREAS, NACC may, from time to time, incur (or otherwise be liable to GERSCO or QSR in respect of) Management or Repair Obligations (as hereinafter defined);

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt of which is hereby acknowledged, NACC, GECC, GERSCO and QSR hereby agree as follows:

1. Defined Terms. Terms defined in the P&L Agreement shall have their defined meanings when used herein and the following terms shall have the following meanings, unless the context otherwise requires:

"Collateral" shall have the meaning assigned to it in Paragraph 2 of this Security Agreement.

"Events of Default" shall mean the events specified in Paragraph 8(a) of this Security Agreement.

"Loans" shall mean the NACC Loan and the NAC-Can Loan.

"Management or Repair Obligations" shall mean any and all amounts, of any nature whatsoever, payable, at any time or from time to time, to GERSCO or QSR with respect to any of the matters referred to in clauses

(i)(a) through (i)(g) of Section 3.02 of the FNBC-GERSCO Intercreditor Agreement, dated as of December 5, 1983, among the First National Bank of Chicago, as Collateral Agent, GERSCO, GECC, QSR and NACC.

"Obligations" shall mean (i) all the unpaid principal amount of, and accrued but unpaid interest on, each of the Loans and (ii) the Management or Repair Obligations; provided, however, that the maximum aggregate amount of Management or Repair Obligations which shall constitute Obligations, and be secured, under this Security Agreement and the NAC-Can Security Agreement, dated as of the date hereof, among NAC-Can, GECC, GERSCO and QSR (the "NAC-Can Security Agreement") shall be \$5,000,000.

"Proceeds" shall have the meaning assigned to it under the Illinois Uniform Commercial Code and, in any event, shall include, but not be limited to, (i) any and all proceeds of any insurance, indemnity, warranty or guaranty payable to NACC from time to time with respect to any of the Collateral, (ii) any and all payments (in any form whatsoever) made or due and payable to NACC from time to time in connection with any requisition, confiscation, condemnation, seizure or forfeiture of all or any part of the Collateral by any government authority (or any person acting under the color of governmental authority), (iii) any and all other amounts from time to time paid or payable under or in connection with any of the Collateral and (iv) any proceeds of proceeds.

"Secured Parties" means GECC, GERSCO and QSR, jointly and severally.

2. Grant of Security Interest. As collateral security for the prompt and complete payment and performance when due of all the Obligations and in order to induce (i) GECC to make the NACC Loan in accordance with the terms of the P&L Agreement, and (ii) GERSCO and QSR to enter into the Management Agreement and the Repair Business Management Agreement, respectively, NACC shall from time to time, by executing and delivering a supplement hereto in the form of Exhibit A hereto (a "Supplement"), assign, mortgage, pledge, hypothecate and transfer to the Secured Parties, and grant to the Secured Parties a security interest in, all of the right, title and interest of NACC in, to and under the following (all of which shall, at the time of the execution and deliv-

ery of a Supplement relating thereto, be and remain "Collateral" hereunder):

(a) one or more of the railcars which are listed on such Supplement and reasonably satisfactory to the Secured Parties; and

(b) to the extent not otherwise included, all Proceeds and products of any or all of the foregoing.

3. The Secured Parties. Notwithstanding anything to the contrary set forth herein, it is hereby acknowledged and agreed by each of the parties hereto that, as among the Secured Parties (and only as among the Secured Parties), the Secured Parties shall have the sole and exclusive right to determine, in such manner as they shall deem appropriate, all matters, of any nature whatsoever, concerning the exercise of any of their rights, and the disposition of any of the Collateral or other property held, owned or received by them, at any time or from time to time, hereunder.

4. Representations and Warranties. NACC hereby represents and warrants to the Secured Parties that:

(a) This Security Agreement constitutes (and each Supplement, when executed and delivered by NACC, will constitute) a valid and binding obligation of NACC, enforceable against NACC in accordance with its terms (except, in each case, as enforceability may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally). No consent of any person (including, without limitation, any creditor of NACC) which has not been obtained, and no consent, license, approval or authorization of, or registration or declaration with, any government authority which has not been obtained, is required in connection with the execution, delivery, performance, validity or enforceability of this Security Agreement or any Supplement.

(b) NACC will be the sole owner, at all times, of every railcar that is an item of Collateral (and all Proceeds and products thereof), having good and marketable title thereto, free and clear of any and all mortgages, liens, security interests, claims or rights of others, except for operating leases, the security interest granted to the Secured Parties pursuant to this

Security Agreement and one or more Supplements and security interests which by their terms are expressly subordinate to the security interest granted to the Secured Parties hereunder.

(c) No security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Collateral referred to in Paragraph 2(a) hereof (or any Proceeds or products thereof) is on file or of record in any public office, except as otherwise disclosed in a Supplement hereto.

(d) This Security Agreement, together with any Supplement executed and delivered in accordance herewith, will create a valid and continuing first priority lien on and security interest in the Collateral referred to in such Supplement in favor of the Secured Parties, prior to all liens, encumbrances, security interests and rights of others, except with respect to those railcars constituting items of Collateral which are not located in the United States or the mainland provinces of Canada (other than Quebec or the Maritime provinces) which railcars shall at no time exceed in value ten percent (10%) of the aggregate "AAR Value" of the total Collateral.

(e) NACC's principal place of business and the place where its records concerning the Collateral owned by it are kept is at 33 West Monroe Street, Chicago, Illinois 60603. NACC will not change such principal place of business or remove such records without 30 days' prior written notice to the Secured Parties.

5. Covenants. NACC hereby covenants and agrees with the Secured Parties that from and after the date of this Security Agreement and until the Obligations are fully satisfied:

(a) Further Documentation; Pledge of Instruments. At any time and from time to time, upon the written request of any of the Secured Parties, and at the sole expense of NACC, NACC will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as any of the Secured Parties may reasonably deem desirable in order to obtain the full benefits of this Security Agreement (and each Supplement executed and delivered in accordance here-

with) and the rights and powers herein and therein granted, including, without limitation, the filing of any financing or continuation statements with respect to the liens and security interests granted hereby and thereby. NACC also hereby authorizes each of the Secured Parties to file any such financing or continuation statement without the signature of NACC to the extent permitted by applicable law.

(b) Maintenance of Records. NACC will keep and maintain at its own cost and expense satisfactory and complete records of the Collateral. NACC will mark its books and records pertaining to the Collateral to evidence this Security Agreement and each Supplement executed by it in accordance herewith and the security interests granted hereby and thereby. For the further security of the Secured Parties, NACC agrees that the Secured Parties shall have a special property interest in all of NACC's books and records pertaining to the Collateral, and NACC, upon the occurrence and during the continuance of any Event of Default, shall deliver and turn over any such books and records to the Secured Parties or to their representatives at any time on demand of any of the Secured Parties.

(c) Compliance with Laws, etc. NACC will comply, in all material respects, with all acts, rules, regulations, orders, decrees and directions of any governmental authority applicable to the Collateral or any part thereof or to the operation of NACC's business and where the failure to so comply would have a material adverse effect upon the security interest granted herein in the Collateral or upon the operation of NACC's business; provided, however, that NACC may contest any act, regulation, order, decree or direction in any reasonable manner which shall not, in the sole opinion of the Secured Parties, adversely effect the rights of the Secured Parties or the priority of their security interest in the Collateral.

(d) Payment of Obligations. NACC will pay promptly when due all taxes, assessments and governmental charges or levies imposed upon the Collateral or in respect of its income or profits therefrom, as well as all claims of any kind relating to the Collateral (including claims for labor, materials and supplies), except that no such charge need be paid if (i) the validity thereof is being contested in good faith by appropriate proceed-

ings, (ii) such proceedings do not involve any danger of the sale, forfeiture or loss of any of the Collateral or any interest therein and (iii) such charge is adequately reserved against in accordance with generally accepted accounting principles.

(e) Compliance with Terms of Agreements, etc. NACC will perform and comply in all material respects with all obligations under all leases or agreements to which it is a party or by which it is bound relating to the Collateral. NACC will cause NAC-Can to perform and comply in all material respects with all of the obligations of NAC-Can in respect of the NAC-Can Loan or under the NAC-Can Security Agreement.

(f) Limitation on Liens on Collateral. NACC will not create, permit or suffer to exist, and NACC will defend all of the Collateral which is referred to in any Supplement executed and delivered in accordance herewith against and take such other action as is necessary to remove, any lien, security interest, encumbrance, claim or right in or to such Collateral which purports to be prior to the security interest in favor of the Secured Parties created under this Security Agreement and such Supplement, and NACC will defend the right, title and interest of the Secured Parties in and to any of the Collateral and the Proceeds and products thereof against the claims and demands of all persons whomsoever who claim an interest superior to the security interest granted to the Secured Parties hereunder.

(g) Maintenance of Insurance. Upon termination of the Management Agreement, NACC will maintain with financially sound and reputable companies insurance policies insuring it and the Secured Parties against liability for personal injury and property damage relating to the Collateral which insurance shall be in such form and in such amounts and coverage as is customary and as may be reasonably satisfactory to the Secured Parties. The Secured Parties shall be named as additional insureds, as their interests may appear, on all such insurance and any payments received under such insurance shall be paid to NACC and the Secured Parties as their respective interests shall require. NACC shall, if so requested by any of the Secured Parties, deliver to such Secured Party as often as such Secured Party may reasonably request a report of a reputable insurance broker with respect to the insurance on the Collateral. All insurance

with respect to the Collateral shall (i) contain a breach of warranty clause in favor of the Secured Parties, (ii) provide that no cancellation, reduction in amount or change in coverage thereof shall be effective until at least 10 days after receipt by the Secured Parties of written notice thereof, and (iii) be satisfactory in all respects to the Secured Parties.

(h) Limitations on Dispositions of Collateral. NACC agrees that it will not sell, transfer or otherwise dispose of any of the Collateral unless NACC first reduces the outstanding principal amount of the NACC Loan and receives release of such Collateral pursuant to Paragraph 3A of the P&L Agreement or provides for substitute Collateral pursuant to Paragraph 11 hereof. NACC further agrees that it will not contract to sell, transfer or otherwise dispose of any of the Collateral unless such contract is subject to NACC's receipt of a release of such Collateral.

(i) Further Identification of Collateral. NACC will furnish to the Secured Parties from time to time such statements and schedules further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Secured Parties may reasonably request, all in reasonable detail. NACC shall not change, or permit to be changed, any markings on any Eligible Railcar which identify such Eligible Railcar in any Supplement hereto unless a statement containing new markings to be substituted therefor is furnished to the Secured Parties and filed and recorded in the same manner as all documents perfecting the security interest created by such Supplement.

(j) Notices. NACC will advise the Secured Parties promptly, in reasonable detail, (i) of any lien, security interest, encumbrance or claim made or asserted against such Collateral, (ii) of any material change in such Collateral, and (iii) of the occurrence of any event which would have a material adverse effect on the aggregate value of the Collateral or on the security interest created under this Security Agreement and any Supplement.

(k) Right of Inspection. The Secured Parties shall at all times have full and free access during normal business hours to all the books, correspondence and records of NACC, and the Secured Parties or their

representatives may examine the same, take extracts therefrom and make photocopies thereof, and NACC agrees to render to the Secured Parties, at NACC's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto. The Secured Parties and their representatives shall at all times also have the right to enter into and upon any premises where any of the Collateral is located for the purpose of inspecting the same, observing its use or otherwise protecting the interests of the Secured Parties therein.

(1) Maintenance of Collateral. NACC will keep and maintain all of the Collateral which is in good operating condition on the date hereof in continual good operating condition, ordinary wear and tear excepted, and NACC will provide all maintenance and service and all repairs necessary for such purpose; provided, however, that this provision shall not apply to any of the railcars comprising the Collateral at such times as such railcars are in storage and not subject to any lease.

The parties acknowledge that NACC has delegated certain of the responsibilities specified in this Paragraph 5 with respect to the management of the Collateral owned by it to GERSCO under the Management Agreement and agree that while the Management Agreement is in effect, NACC will be deemed to have performed fully such responsibilities and shall have no liability hereunder with respect to such responsibilities.

6. Appointment as Attorney-in-Fact.

(a) NACC hereby irrevocably constitutes and appoints each of the Secured Parties and any officer or agent thereof, as its true and lawful attorney-in-fact with full power of substitution and full irrevocable power and authority in the place and stead of NACC and in the name of NACC or in its own name, from time to time in the discretion of any of the Secured Parties, for the purpose of carrying out the terms of this Security Agreement and any Supplement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement and any Supplement, and, without limiting the generality of the foregoing, hereby gives each of the Secured Parties the power and right, on behalf of NACC, without notice to or assent by NACC to do the following:

(i) upon the occurrence and continuance of any Event of Default, to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement or any Supplement and to pay all or any part of the premiums therefor and the costs thereof; and

(ii) upon the occurrence and continuance of any Event of Default, (A) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any such Collateral; (B) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with accounts and other documents relating to any of the Collateral; (C) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect any of the Collateral and to enforce any other right in respect of any of the Collateral; (D) to defend any suit, action or proceeding brought against NACC with respect to any of the Collateral; (E) to settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as any of the Secured Parties may deem appropriate; and (F) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any such Collateral as fully and completely as though any of the Secured Parties were the absolute owner thereof for all purposes, and to do, at the option of any of the Secured Parties and NACC's expense, at any time, or from time to time, all acts and things which any of the Secured Parties deems necessary to protect, preserve or realize upon any such Collateral and the security interest of the Secured Parties therein, in order to effect the intent of this Security Agreement and each Supplement, all as fully and effectively as NACC might do.

(b) NACC hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof.

This power of attorney is a power coupled with an interest and shall be irrevocable.

(c) The powers conferred on the Secured Parties hereunder are solely to protect the interest of the Secured Parties in the Collateral and shall not impose any duty upon them to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers and none of the Secured Parties nor any of their officers, directors, employees or agents shall be responsible to NACC for any act or failure to act, except for gross negligence or willful misconduct; provided, however, that this Paragraph 6(c) shall not absolve any person from any liability such person might have or incur under the Management Agreement.

(d) NACC also authorizes each of the Secured Parties, at any time and from time to time, upon the occurrence and during the continuance of any Event of Default, to execute, in connection with the sale provided for in Paragraph 8(c) of this Security Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

7. Performance by the Secured Parties of NACC's Obligations. If NACC fails to perform or comply with any of its agreements contained herein and any of the Secured Parties, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the expenses of such Secured Party incurred in connection with such performance or compliance, together with interest thereon at the rate provided for in respect of the NACC Loan, shall be payable by NACC to such Secured Party on demand and shall constitute Obligations secured hereby.

8. Remedies, Rights Upon Default.

(a) The occurrence of any of the following shall constitute an Event of Default hereunder:

(i) Either NACC or NAC-Can shall fail to pay, perform or comply with any of the Obligations when due;

(ii) Any representation or warranty contained in the P&L Agreement, this Security Agree-

ment, the NAC-Can Security Agreement, any Supplement under this Security Agreement or the NAC-Can Security Agreement, or any other agreement between GECC and NACC or between GECC and NAC-Can, or any statement contained in any certificate of NACC or NAC-Can delivered pursuant to the P&L Agreement, this Security Agreement, the NAC-Can Security Agreement, any Supplement under this Security Agreement or the NAC-Can Security Agreement, or any other agreement between GECC and NACC or between GECC and NAC-Can, shall prove to have been incorrect in any material respect on or as of the date made;

(iii) NACC shall fail to comply with any of the provisions of Paragraph 3A of the P&L Agreement or the provisions of Paragraphs 5(a) through (d) and (f) through (l) of this Security Agreement;

(iv) NAC-Can shall fail to comply with any of the provisions of Paragraph 3A of the P&L Agreement or the provisions of Paragraphs 5(a) through (d) and (f) through (l) of the NAC-Can Security Agreement;

(v) (A) There shall occur and be continuing any event (a "Specified Event") as a result of the occurrence and continuation of which the holders of the Bank Debt referred to in Paragraph 3(A)(c)(ii) of the P&L Agreement are permitted to accelerate the maturity of such Bank Debt and/or avail themselves of one or more remedies which would not be available to them absent the occurrence and continuation of the Specified Event and (B) such maturity is accelerated and/or any such remedy is pursued (and such acceleration and/or remedial action is not rescinded);

(vi) Either NACC or NAC-Can shall commence any case, proceeding or other action (A) relating to bankruptcy, insolvency, reorganization or relief for debtors, seeking to have an order entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other

similar official for it or for all or any substantial part of its assets, or either NACC or NAC-Can shall make a general assignment for the benefit of its creditors;

(vii) There shall be commenced against either NACC or NAC-Can any case, proceeding or other action of a nature referred to in clause (vi) above which (A) results in the entry of an order for relief or any adjudication or appointment referred to in clause (v) above, or (B) remains undismissed, undischarged or unbonded for a period of 60 days;

(viii) There shall be commenced against either NACC or NAC-Can any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within 60 days from the entry thereof; or

(ix) Either NACC or NAC-Can shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clauses (vi), (vii) or (viii).

(b) If an Event of Default shall occur and be continuing, all of the indebtedness of NACC outstanding in respect of the NACC Loan (whether for principal or interest) shall, at the sole option of GECC (which shall be exercised by written notice from GECC to NACC), immediately become due and payable and, whether or not GECC exercises such option:

(i) Each of the Secured Parties shall have the right to collect all payments received by NACC under or in connection with any of the Collateral and, for such purpose, NACC hereby assigns such payments to the Secured Parties; provided, however, that the Secured Parties may only collect such payments upon the occurrence of an Event of Default at which time such payments shall, upon receipt by NACC, be turned over to the Secured Parties in the same form as received by NACC (duly endorsed by NACC if required); and

(ii) any and all such payments so received by the Secured Parties (whether from NACC or otherwise) may, in the sole discretion of the Secured Parties, be held by the Secured Parties as collateral security for, and/or then or at any time thereafter applied in whole or in part by the Secured Parties against, all or any part of the Obligations in such order as the Secured Parties shall elect. Any balance of such payments held by the Secured Parties and remaining after payment in full of all the Obligations shall be paid over to NACC or to whomsoever may be lawfully entitled to receive the same.

(c) If any Event of Default shall occur and be continuing, the Secured Parties may, in addition to all other rights and remedies granted to them in this Security Agreement, any Supplement and any other instrument or agreement securing, evidencing or relating to the Obligations, exercise all rights and remedies of a secured party under the Illinois Uniform Commercial Code. Without limiting the generality of the foregoing, NACC expressly agrees that in any such event the Secured Parties, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon NACC or any other person (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give an option or options to purchase, or sell or otherwise dispose of and deliver said Collateral or any part thereof (or contract to do so), in one or more parcels at public or private sale or sales, at any exchange, broker's board or at any of the offices of the Secured Parties or elsewhere at such prices as they may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Secured Parties shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption in NACC. NACC further agrees, at the request of the Secured Parties, to assemble the Collateral and make it available to the Secured Parties at places which the Secured Parties shall reasonably select, whether at NACC's premises or elsewhere. The

Secured Parties shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care, safekeeping or otherwise of any or all of the Collateral (or the protection of the priority of the security interests of the Secured Parties in any of the Collateral) or in any way relating to the rights of the Secured Parties hereunder, including reasonable attorneys' fees and legal expenses, to the payment in whole or in part of the Obligations, in such order as the Secured Parties may elect, NACC remaining liable for any deficiency remaining unpaid after such application, and only after so paying over such net proceeds and after the payment by the Secured Parties of any other amount required by any provision of law need the Secured Parties account for the surplus, if any, to NACC. To the extent permitted by applicable law, NACC waives all claims, damages, and demands against the Secured Parties arising out of the repossession, retention or sale of the Collateral. NACC agrees that the Secured Parties need not give more than 10 days notice of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. NACC shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which the Secured Parties are entitled, NACC also being liable for the reasonable fees of any attorneys employed by the Secured Parties to collect such deficiency.

(d) NACC also agrees to pay all costs of the Secured Parties, including reasonable attorneys' fees, incurred with respect to the collection of any of the Obligations and the enforcement of their rights hereunder.

(e) NACC hereby waives presentment, demand, protest or any notice (to the extent permitted by applicable law) of any kind in connection with this Security Agreement, any Supplement or any Collateral.

9. Limitation on the Secured Parties' Duty in Respect of Collateral. Beyond the safe custody thereof, the Secured Parties shall not have any duty hereunder as to any Collateral in their possession or control or in the possession or control of any of their agents or nominees or any

income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto, provided that this Paragraph 9 shall not be deemed as a waiver by NACC of any obligation owed to it by GERSCO under the Management Agreement.

Attn: Carl D. Lobell, Esq.

11. Substitution of Collateral. At any time and from time to time, NACC may cause any railcar then subject to the security interest created under this Security Agreement and any Supplement (and all Proceeds and products thereof) to be released therefrom upon satisfying each of the following conditions:

(a) NACC shall provide the Secured Parties with not less than ten days prior written notice of its desire to substitute for such railcar, Proceeds and products, another railcar which will be an Eligible Railcar upon substitution made in compliance with this Paragraph 11 (and all Proceeds and products thereof) of

the same type as, and having an AAR Value at least equal to the AAR Value of, the railcar to be released; and

(b) NACC shall deliver to the Secured Parties such evidence as the Secured Parties may reasonably require (including, but not limited to, one or more certificates of NACC and the principal officers thereof and one or more opinions of counsel satisfactory to the Secured Parties) that the Secured Parties have received, and then hold a valid and perfected security interest in, the new railcar (and all Proceeds and products thereof) and that such railcar (and all Proceeds and products thereof) are only subject to certain specified liens all of which by their terms are subordinate, upon terms and pursuant to instruments satisfactory to the Secured Parties in their sole discretion, to the security interest granted to the Secured Parties hereunder.

Upon the satisfaction by NACC of such conditions, the Secured Parties shall execute and deliver such documents as shall be necessary and appropriate to release from the security interest created hereunder the railcar, Proceeds and products for which substitution has been made in accordance herewith.

12. Severability. Any provision of this Security Agreement or any Supplement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13. No Waiver; Cumulative Remedies. The Secured Parties shall not by any act, delay, omission or otherwise be deemed to have waived any of their rights or remedies hereunder and no waiver shall be valid unless in writing, signed by each of the Secured Parties, and then only to the extent therein set forth. A waiver by the Secured Parties of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Secured Parties would otherwise have on any future occasion. No failure by the Secured Parties to exercise nor any delay by the Secured Parties in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or future exercise thereof or the exercise of any other right, power or privilege. The

rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law. None of the terms or provisions of this Security Agreement or any Supplement may be waived, altered, modified or amended except by an instrument in writing duly executed by each of the Secured Parties.

14. Successors and Assigns; Governing Law. This Security Agreement, each Supplement and all obligations of NACC hereunder shall be binding upon the successors and assigns of NACC and shall, together with the rights and remedies of the Secured Parties hereunder and thereunder, inure to the benefit of the Secured Parties, and their respective successors and assigns. This Security Agreement and each Supplement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Illinois.

15. Further Indemnification. NACC agrees to pay, and to save the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Security Agreement or any Supplement.

16. Termination of Security Interest. Upon payment in full of the Obligations and the termination of all obligations of GECC to make any further extensions of credit in respect of the Loans (i) the security interest granted pursuant to this Security Agreement and each Supplement shall terminate and (ii) the Secured Parties shall co-operate in filing appropriate termination statements to terminate the security interest granted pursuant hereto and thereto.

17. Waiver. In consideration of the transactions contemplated herein, NACC expressly waives and releases all of its rights, benefits and protections given it by Sections 23, 24, 25, 26, 27 and 28 of the Chattel Mortgages Act of British Columbia.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be executed by their duly authorized officers on the day and date first set forth above.
